

To all Concerned Individuals:

The Sheet Metal Local 10 Metro Area JATC will be hiring an additional full Time instructor. The qualified individual must be proficient in many aspects of the sheet metal industry including HVAC, Welding, Architectural, Residential, Layout, and Equipment Service and Repair. This person must be willing to learn new concepts and be prepared to communicate this information in a knowledgeable and comprehensive manner. This person must be a current union member and up to date with union dues. The individual should be ready to start August 1st 2017 and be prepared to teach full time this fall. Resumes will be accepted and should be sent to czitzer@metrojatc.org by June 30th 2017. Interviews will be set for mid-July.

Sincerely

Carl Zitzer
